

RUSSELL COUNTY SCHOOL NUTRITION

Attention: Parents & Students

It's FREE! FREE!

EVERY Student eats FREE BREAKFAST & LUNCH all year!

Russell Co. School Nutrition is participating in the Community Eligibility Option (CEO) that allows **all students** to receive free breakfast and free lunch for 2013-2014 school year. Your child's participation in breakfast and lunch will be essential to continue to offer all school meals free for our children!

Your child **MAY continue** to PURCHASE extra food items or a la carte items at set price.

Board Policy states:

Students are **NOT ALLOWED to CHARGE extra food or a la cart items**

So please inform your child of this policy as cashiers will not allow charging of any item.

For YOUR convenience use MY SCHOOL BUCKS to deposit money into your child's lunch/breakfast account and erase the agony of lost money for these items.
